

LINE MASTER 3-14 ■ WRITING A BUSINESS PLAN

Write a plan for a business that you would like to start in your community.

My skills and interests are ...

The business I would like to start is ...

I am a good person to run this business because ...

I will have to spend money on the following things to start my business ...

My business will operate like this ... (basic hours, business location, and so on)

I know there is a market for my business because ...

I will advertise my business in the following ways ...

With the money I make with my business, I will ...
