

## Jump In, Activity 3e) PAGE 65

You are planning to present an hour of music as part of your school's Keep The Beat Music Marathon. Create a playlist for this event that will appeal to different musical tastes.

- Give reasons for your choices.
- Include a variety of styles of music.
- Think about the mood you want to create.
- Check CD covers, digital audio player displays, or the Internet to find track times and other information.

| Track Title                  | Artist | Time |   |   | Reason Why I Chose This Track |
|------------------------------|--------|------|---|---|-------------------------------|
|                              |        | H    | M | S |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
|                              |        |      |   |   |                               |
| Total time (about one hour): |        |      |   |   |                               |
